

In accordance with Chapter 6, Section 2(m) of the Wyoming Air Quality Standards and Regulations, notice is hereby given that the State of Wyoming, Department of Environmental Quality, Division of Air Quality, proposes to approve a request by Bear Oil & Gas, Inc. to construct a new sweet crude oil and natural gas production facility, known as the Armour Tank Battery, consisting of the Armour 41-17 and 42-17 wells, with a smokeless combustion device to control volatile organic compound and hazardous air pollutant emissions associated with the oil tanks and active produced water tanks, located in the SW1/4SW1/4 of Section 10, T36N, R68W, approximately twelve (12) miles north of Pine Bluffs, in Laramie County, Wyoming.

For the duration of the public comment period, copies of the permit application, the agency's analysis, and the public notice are available for public inspection online at <http://deq.wyoming.gov/aqd/new-source-review/resources/applications-on-notice/> and at the Laramie County Clerk's Office, Cheyenne, Wyoming. In accordance with the Americans with Disabilities Act, special assistance or alternate formats will be made available upon request for individuals with disabilities.

Written comments may be directed to Steven A. Dietrich, Administrator, Division of Air Quality, Department of Environmental Quality, 122 W. 25th St., Cheyenne, Wyoming 82002 or by fax (307) 777-5616. Please reference A0001144 in your comment. Comments submitted by email will not be included in the administrative record. All comments received by 5:00 p.m., Monday, October 12, 2015 will be considered in the final determination on this application. A public hearing will be conducted only if in the opinion of the administrator sufficient interest is generated or if an aggrieved party so requests.
